

**Smart Share Content Transfer** is a fast and easy-to-use app for transferring files between devices. You can quickly and securely transfer files such as photos, videos, contacts, documents, and much more, with just a few taps.

The app uses Wi-fi to ensure fast and reliable transfers, even over slow internet connections. Smart Share Content Transfer also supports cross-platform transfers, so you can send files from your iOS device (iPhone /iPad) to any other device (Phone, Laptop etc), and vice versa. Whether you're sharing files with friends, family, or colleagues, Smart Share Content Transfer makes it easy to transfer your content quickly and efficiently.

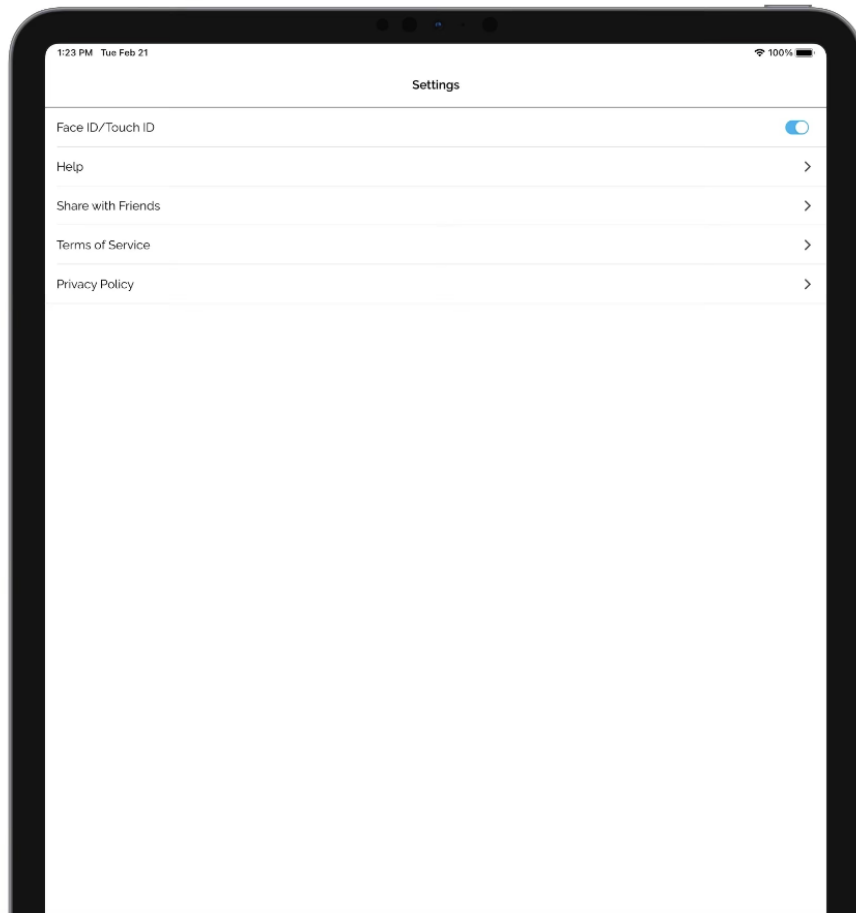

- Fast and efficient file transfer over Wi-Fi
- Secure file transfer using Face ID authentication
- Easy-to-use interface with a simple and intuitive design
- Transfer files of unlimited size, including photos, videos, music, documents, and more
- Cross-platform support, allowing you to transfer files between devices
- Reliable transfers, even over slow internet connections
- Ability to transfer multiple files at once (No Transfer or File size Limit)

**Smart Share Content Transfer** offers a Pro version that provides advanced features and benefits, which can be subscribed to on a weekly (\$1.99/Week), monthly (\$6.99/Month), or yearly basis (\$49.99/Year).

Payment will be charged to the credit card connected to your iTunes Account when you confirm the initial subscription purchase. Subscriptions automatically renew unless auto-renew is turned off at least 24-hours before the end of the current subscription period. Your account will be charged for renewal within 24-hours prior to the end of the current period, and the cost of the renewal will be identified. You may manage your subscription and auto-renewal may be turned off by going to your Account Settings after the purchase. Any unused portion of a free trial period, if offered, will be forfeited when you purchase a subscription, where applicable.
